

Tunisia

Gordon McBain, regional secretary for the Middle East and North Africa, experienced a mixture of joy and sadness during his recent visit to Tunisia as a BMS worker shared how he'd met with a local believer in the south of the country. The local man shared through tears that for years he had thought he was the only Tunisian believer in the country.

Now, through the work of BMS World Mission, we can put him in touch with the other Christians.

PRAY FOR:

SUNDAY

22

The cessation of persecution amongst believers. This has recently started again after several years of relative calm.

MONDAY

23

Those in UK churches to respond to God's call to work in Tunisia – BMS' partner there requires more personnel.

TUESDAY

24

Local believers who are often isolated and have no Christian community nearby.

WEDNESDAY

25

The safety of our workers in Tunisia – many mission workers have recently been expelled from countries across North Africa.

THURSDAY

26

The new Executive Director of BMS' partner in Tunisia – that he will hear God's voice as to how to develop the work and ministry there.

FRIDAY

27

The children of our mission workers as they attend local schools. Pray for their spiritual development.

SATURDAY

28

The government of the country – that they will respect the desire of the Church there to openly meet in safety without fear of the authorities.

FACTFILE:

Capital: Tunis
Area: 163,610 sq km
Population: 10,486,339
Urban population: 67% of total population (2008)
